FRIDGE POETRY

swinging through another tornado listening for the quiet

M turns to me Her smile lighting up My heart As it has countless Times tonight She points to her poetry Pieced together on my fridge And proudly shows Her thoughtful addition

She must have stood In in front of my fridge For ten minutes Maybe more Deciding the perfect words To string together For with M All words Must have meaning

I wonder how It is possible someone So thoughtful So breathtaking As her Can fall for someone So lost So breathless As me

SNAPPLE FACTS

"Real Fact" #931 e nothingness of a black hole generates a sound in the key of B at.

We double over laughing, and H asks "Is it a scale in B at, or the speci c note?" L responds that they do not know, how could they know? How could anyone know What a black hole sounds like? How could anyone know But Snapple?

We have been sitting in our park e sun is creeping away And we have refused to leave Refused to walk away until Our ngers grow numb From the cold From the poetry From the tarot From the painting

L writes of me H reads for L And I paint H ese are the a ernoons Which make us feel In nite Found Eternal Complete ese a ernoons in the park With Snapple facts With graphite stained ngers With paint smudged clothes With tarot shaped words

POPSICLE JOKES

How does the ocean greet the beach? It waves

We used to be able to Laugh at anything Fits of giggles would come No matter the occasion With any small joke From any tiny print On a popsicle stick

We used to be able to Talk about anything Hidden away and protected by e branches of our tree house Which still stands by my home Built in a labor of love Kept by a labor of trust

We used to be able to Dream of anything Grand schemes were planned In the dim lights Of sleepover excitement Never to be ruined By the rising sun

ings have changed ings have changed.

We no longer have Popsicle stick jokes Only our jokes Forged by years Of trust Of friendship Of love

FORTUNE COOKIES

Take a chance On that big decision You've been pondering

M laughs at the paper Which begins to crumple in her hand "But I don't have a big decision!" She exclaims through laughs Her breath creating shadows In the cold February air

We are sitting in my car As we o en nd ourselves Finishing a meal Of dumplings and soup With tea and french fries And fortune cookies

We are in the parking lot Of the ice skating rink Which resides in my hometown
